\*\* Single event registration will be \$30 at the event, \$50 for both \*\*  
**Swag:** Jersey (2 jerseys if you sign up for both events)  
Drawstring bag  
3 free raffle tickets (6 if you sign up for both events)  
Player pack inserts  
Unlimited food and play throughout the event  
**Special note:** *No alcoholic beverage containers at the playing fields*

This event was initiated 11 years ago after the death of an ultimate player and friend, in a hit and run accident. It was intended to help heal some wounds of family and friends, and help some kids who are not as fortunate as many of us. It has grown every year, and players of all levels of experience enjoy this event. Come out for the whole time, or just a few hours, but don't miss the things that make this event the only one of its kind.

*Something to think about before you come:*

There are a lot of people participating in this event who are at those fields to help and lend support. We know that many of you did not know Andy but have experienced a loss of your own. If you have a loved one who you would like to dedicate these 24 hours of your life to, there will be an opportunity to publicly or privately do so. Feel free to bring thoughts, pictures, etc. to place in the **Memory Box** or **Memorial Board**.

***This is an event of supporting, reflecting and celebrating !***

Proceeds for the event will benefit local charities, including the *Boys and Girls Clubs* and *The Compassionate Friends* organization which was instrumental in helping Andy's family after their loss.
